

Gateway Metro's Mobile App

Your credit union just opened a new 24/7 location - on your phone! All members who use Virtual Branch have instant access to their accounts on their smart phones with the new Gateway Metro app. Just download the app from either the Apple or Google Play app store, and log in like normal to view accounts, transfer money, deposit checks* and even pay bills*. Touchbanking Users: Please download the Gateway Metro app as soon as possible, log in, and delete Touchbanking off your phone. After March 7, 2017 the Touchbanking App will no longer be accessible. Text Message Banking users will not be affected by this app.
