GMFCU Opens New St. Peters Branch

ST. LOUIS— Gateway Metro Federal Credit Union (GMFCU) announced the opening of its new St. Peters, Mo., branch last week. The branch, located at 1421 Jungermann Rd., replaces an existing St. Peters location in the Centre Pointe plaza.

The new location was designed for the expanding field of membership in St. Charles County. The new branch has increased square footage, private offices for meetings with mortgage officers and branch managers, teller line, and drive thru lanes.

“This new branch gives us improved visibility and more space to serve the great members/residents of St. Charles County. Our goal from the beginning was to bring a modern design that fits in with the local neighborhoods and business community.” President/CEO Jay Lewis said.

The branch opened on Oct. 27 and held a grand opening celebration for the community on Oct. 29.

GMFCU has been serving St. Charles County for 16 years. The credit union’s membership area includes St. Louis City, St. Louis County and St. Charles County in Missouri.
